

## BREXIT INFORMATION

## BREXIT

The UK departure from the EU is approaching with the transition period due to end at the end of the year 2020, Dosis UK is currently working closely with its freight partner DHL and customs advisory department to ensure that formalities can be completed with the minimum of disruption.

In all case scenarios regarding whether the UK has a free-trade deal with EU or not, the Dosis UK's general terms and conditions of sale will remain unchanged at least until March 2021, when we will review it in the light of actual experience.

From our side, everything is being done to maintain our stocks and to have sufficient capacity to continue to deliver our customers and satisfy any increase in demand, without delivery delays due to new import regulations.

Should you have any question, do not hesitate to contact our dedicated sales team.

With kind regards,

Gabriel de Galzain  
Managing Director of PDS

Rob McLaren  
Managing Director of 2KM UK

Dosis UK is a joint-venture between 2KM UK Limited and  
POLY DISPENSING SYSTEMS SAS (PDS).
