

A complete range of consumables

Needle tips

Syringes

Pistons

Cartridges

Static Mixers

Syringe adapters

In addition to its dispensers, DOSIS UK™ offers you a wide range of dispensing consumables adapted to your equipment.

You will find many references of syringes, needles, adapters and nozzles certified silicone-free and customisable on request.

All DOSIS UK™ consumables benefit from an extremely precise design, with high manufacturing standards and are only moulded in quality materials.
