

Insight DOSIS UK

WHO ARE WE ?

Dosis UK is a joint-venture between Poly Dispensing Systems and 2KM. We combine 36 years of experience in the dispensing industry. For the beginning of 2022, we want you to have a better look at our company : who we are, what we do and how we do it.

Insight DOSIS UK #1

At DOSIS UK , every parcel is personally checked to be sure everything complies with your Purchase Order.

You can order safely with us.

Insight DOSIS UK #2

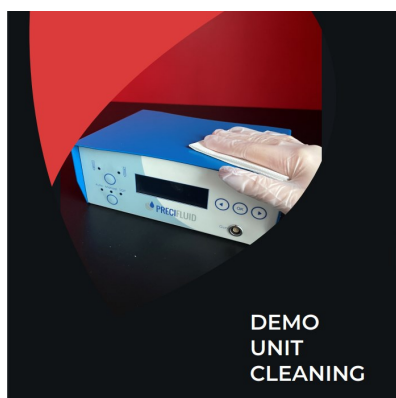

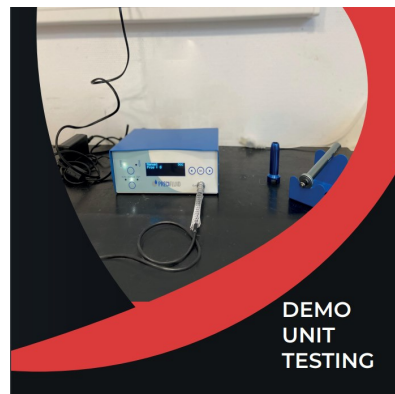

At DOSIS UK, we do Prototype Testing for our customers and prospects in our Showroom.

We did the test with a PRECIFLUID 10cc and a 20G Tapared Tip.

We dispensed by hand but it also can be done on a Janome Industrial Equipment Europe robot.

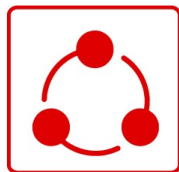

Insight DOSIS UK #3

If you want to test our dispensing equipment to make sure it perfectly fits within your manufacturing process, before making an investment it's possible !

Each equipment is carefully prepared and cleaned before the tests.
